John Boyd. *Registrar*—John Bruce. *Marshall*—William Boyd.

Ontario meet annually in Michaelmas Term and severally select, by a majority of votes, a Judge of their respective Courts to be placed on the rota for the trial of election petitions. In the case of death or the illness of a Judge so chosen, the Court, of which he is a member, meet and elect another Judge. Trials involving corrupt practices are presided over by two Judges, otherwise a single Judge presides, and an appeal lies to the Court of Appeal of the Province.

COUNTY COURTS.—Presided over by a resident Judge in each county, assisted in some counties by a Deputy or Junior Judge. Their jurisdiction extends to all personal actions where the debt or damages claimed do not exceed $200; and to all suits relating to debt, covenant or contract, where the amount is ascertained by the acts of the parties or signature of the defendant, to $100; and to all bail bonds and recognizances of bail given in the County Court, to any amount; but not to cases involving the title to lands, validity of wills, or actions for libel, slander, crim. con., or seduction. An appeal lies to the Court of Appeal of Ontario.

COUNTY COURT SITTINGS AND COURT OF GENERAL SESSIONS.—The County Judge in each county holds a sitting of his Court and a Court of General Sessions in his county semi-annually on the second Tuesday in June and December, except in the county of York, in which county said Court is held four times, commencing on the first Tuesday in December and March, and the second Tuesday in May and September, the latter Courts for the trial of cases of felony and misdemeanor, but treason and capital felonies are exempted from their jurisdiction. The Judge may also, in his discretion, hold additional sittings at such times as may be deemed expedient to expedite business, but only for the trial of issues of fact without a jury.

COUNTY JUDGE'S CRIMINAL COURT.—Persons committed to jail for trial, on charge of being guilty of any offence for which they may be tried at a Court of General Sessions *may, with their own consent,* and subject to the provisions of the Act in that behalf, be forthwith tried by the Judge of the County Court and General Sessions without a jury, and if convicted, be sentenced by the said Judge, and the Judge sitting on any such trial for all the purposes thereof, is constituted a Court of Record, and the record in any such case shall be filed among the records of the Court of General Sessions last mentioned.

COURTS OF REVISION.—The County Judges hold annually Courts of final revision of the Assessment Rolls of each municipality, being in the light of Courts of Appeal from the first Court of Revision held by the municipality; and also Courts for the Revision of the Voters' Lists for provincial Elections. The Voters' Lists for Dominion Elections, are now settled by Revising Barristers under the Act of 1885.

INSOLVENT DEBTORS' COURTS.—These Courts, which had reference to traders only, were regulated by the Act known as the "Insolvent Act of 1875," which consolidated and assimilated the practice in Bankruptcy and Insolvency in the several Provinces of the Dominion. The County Judges in the several Counties presided, and official assignees were nominated by the Governor in Council, and were officers of the Court, having jurisdiction in the County or District for which they were appointed, and appeals lay to the Court of Appeal of Ontario. This Statute has now been repealed, and the Courts and Assignee, are only continuing to wind up pending cases.

SURROGATE COURTS.—The jurisdiction of these Courts relates to all testamentary matters and causes, and to the granting and revoking of probate of wills, and letters of administration of the effects of deceased persons having estate or effect in Ontario, and all matters arising out of or connected with the grant or revocation of probate or administration, subject to an appeal to the Chancery Division. The County Judges are also Judges of the Surrogate Courts. *Chief Surrogate Clerk at Toronto*—Sir J. L. Robinson, Bart; Fred A. Robinson, Clerk.

DIVISION COURTS, for the summary disposal of cases by the presiding Judge, being the County Judge or his Deputy, or any Barrister appointed to hold the same; but a jury of five persons may be demanded in certain cases. Their jurisdiction extends to actions of debt or contract where the balance claimed is over $100 and under $200, when the amount is ascertained by the signature of the defendant, subject to an appeal to the Court of Appeal, and to $100 in other cases; but the sums of the account to be gone into cannot exceed $400; injuries or torts to personal chattels amounting to $60, and personal actions to that amount, if not excepted from their jurisdiction; but not to actions for gambling debts, liquors drunk in a tavern, or notes of hand given therefor, ejectment, title to land, etc., or any toll, custom or franchise, will or settlement, malicious prosecution, libel, slander, crim. con., seduction or breach of promise, or actions against a J. P. for anything done by him in the execution of his office, if he objects to it. Each Judicial District is divided into Court Divisions, and Courts are held once in two months in each Division, or oftener at the discretion of the Judge. The Divisions are established by the Courts of General Sessions, and in certain cases by the Judges.

COUNTIES, United Counties and Districts, are each divided into Court Divisions, in which Courts are held monthly, or as otherwise may be ordered. The limits of the divisions are established by the Division Court Boards of each County, composed of the County Judge, Sheriff, Warden and the Inspector of Division Courts.

Sittings of the Courts.

COURT OF APPEAL.—This Court holds its sittings at such time and for such periods as the Judges shall, from time to time, deem necessary or convenient for the speedy despatch of business, the times now fixed being the first Tuesday in March and September, and the second Tuesday in January, May and November; notice of the holding of such sittings being given according to the usual practice.

SITTINGS OF THE QUEEN'S BENCH AND COMMON PLEAS DIVISIONS.—Hilary begins first Monday in February, and ends Saturday of the ensuing week; Easter begins third Monday in May, and ends Saturday of the second week thereafter; Michaelmas begins third Monday in November, and ends Saturday of the second week thereafter; Trinity Term begins on the Monday after the 21st August, and ends on Saturday of the following week, but may be dispensed with by order of Court. The Queen's Bench and Common Pleas Divisions have power also, at their discretion, to hold sittings in banco in time of vacation (except long vacation), by virtue of a rule or order of the Court, respectively to be made in or out of Term, for the hearing of such special cases or rules for new trials as shall be named in a list to be attached to any such rule or order, and for giving of judgments in cases previously argued, and for disposing of such other business as the Court in its discretion shall see fit; and one of the Judges of either of the said Divisions sits in open Court on Tuesday and Friday of every week, as well in as out of Term, except during vacation, for the purpose of disposing of all Court business which may be transacted by a single Judge.

CHANCERY SITTINGS.—*Sittings for the hearing of causes*, including examination of witnesses, are held twice in each year, at Toronto and on Circuit, the places and dates being previously arranged by the Judges. *Sittings for the re-hearing of causes* are held on the third Thursday in February, the last Thursday in August, and the first Thursday in December. *The Court sits every week*, except during vacation, for the despatch of business, in the following order: *Monday*, chamber business; *Tuesday*, motions; *Wednesday*, motions for judgment, further directions, petitions, and demurrers; *Thursday*, appeals from Master's reports.

LONG VACATION extends from the first of July to the 1st of September, and Christmas vacation from the 24th December to the 6th January.

COUNTY COURT TERMS.—The several County Courts in Ontario hold four sittings in each year, commencing respectively on the first Monday in the months of January, April, July and October, except the County of York, which commences on the first Monday in January and April, and the second Monday in June and October, and ending on the Saturday of the same week.

COMMERCIAL LAWS OF ONTARIO.

ACKNOWLEDGMENTS.—See Deeds.

ACTIONS.—In the High Court of Justice and in the County Courts actions are commenced by writ of summons, which is returnable immediately after service. When the action is for a debt or liquidated demand in money, the writ is specially indorsed with particulars of the plaintiff's claim, and upon default of appearance, in ten days after service, final judgment may be signed without further proof of claim.

Execution may be issued on this judgment at the expiration of eight days from the last day for appearance. If the defendant appears, the plaintiff delivers a statement of his claim; the defendant within eight days delivers a statement of his defence, set-off or counter claim, and the plaintiff delivers his reply. If the defendant appears and has no defence to the action, the plaintiff may apply for final judgment on notice, after filing an affidavit made by himself, or by any other person who can swear positively to the debt or cause of action, verifying the cause of action and stating that in deponent's belief there is no defence to the action. The court on such an application has power to order immediate judgment.

In the Division Courts the plaintiff enters with the clerk a statement of his claim, and a summons is thereupon issued, and the case tried at the court held on the eleventh day after the service on the defendant, if he resides in the county in which the action is brought. In case none of the defendants reside in the county in which the action is brought, but one of them resides in an adjacent (*i.e.* bordering) county, the case is tried at the court held on the sixteenth day after service; and if none of the defendants reside in the county in which the action is brought, or in an adjoining county, the case is tried at the court held on the twenty-first day after service.

If the claim be for any debt or money demand, where the particulars of the claim with reasonable certainty and detail are endorsed on or attached to the summons, and it be not contested, judgment may be obtained at the expiration of eight days from the service on the defendant (where the service is required to be ten days before the return), or at the expiration of twelve days from such service (where the service is required to be fifteen or twenty days before the return), and execution may be issued forthwith.

Except in cases of judgments by default of appearance in the High Court and County Courts, execution may be issued forthwith after judgment.

Priorities of judgments are regulated by the time of placing execution in the hands of the sheriff, and not by the time of obtaining the judgments.

Every debt or chose in action arising out of contract is assignable in law by any form of writing, but subject to such conditions or restrictions with respect to the right of transfer as may be contained in the original contract, and the assignee shall sue thereon in his own name.

The bonds and debentures of corporations made payable to bearer, may be transferred by delivery, and the transfer vests the property in the holder thereof, and enables him to maintain the action thereon in his own name.

In case of an assignment of a debt, arising out of contract and not assignable by delivery, the defendant may avail himself of any defence or set-off arising before notice of the assignment which might have been made to a suit brought by the assignor.

This Act does not apply to bills of exchange or promissory notes. It is not necessary to bring separate suits against the several parties to a bill or note; they may all be included in one action.

AFFIDAVITS.—Within the Province affidavits may be made before any commissioner appointed by the Superior Courts of law for taking affidavits and recognizance of bail. Voluntary and extra-judicial oaths are prohibited. A statutory declaration may be made attesting facts or accounts, etc. Affidavits to be made in the United States, for use in the courts of Ontario, may be made before a Notary Public, certified under his hand and official seal.

ALIENS.—By various statutory enactments the disabilities formerly imposed upon aliens have been removed, and they can now take, hold and sell real and personal property as if they were native-born citizens. Aliens, although not residents in Ontario, may be sued in its courts if they are served with process. Any person resident in Ontario may be sued in its courts upon a cause of action arising in a foreign country. Any person not resident within the Province, who brings an action in its courts, is bound, upon application being made therefor, to give the opposite party security for the costs which may be incurred in the suit.

APPEALS.—An appeal in certain cases lies from the Queen's Bench, Common Pleas and Chancery Divisions of the High Court to the Court of Appeal for Ontario. This is the court of last resort within the Province. From this tribunal an appeal in certain cases lies to the Supreme Court of Canada, which holds its sittings at Ottawa, the capital of the Dominion. An appeal also lies from the County Courts to the Court of Appeal.

ARREST.—A writ of *capias ad respondendum* is granted, only when a party or plaintiff, being a creditor of, or having a cause of action against some person liable to arrest, satisfies a judge by affidavit that he has such a cause of action to the amount of one hundred dollars, and also shows that there is good and probable cause for believing that such person, unless he be forthwith apprehended, is about to quit Canada with intent to defraud his creditors generally, or the plaintiff in particular.

A married woman is not liable to arrest, and as a general rule one foreigner cannot follow another into this country and arrest him for a debt contracted abroad, where the debtor intends to reside permanently in Canada or to return to the United States. But where the debtor's intention is to pass through Caanda to Europe it is said that he may be followed and arrested here.

ASSIGNMENTS.—See Insolvency.

ATTACHMENT.—If any person, resident in Ontario, indebted to any other person, absconds from Ontario with intent to defraud the plaintiff, or to avoid arrest or service, and is at the time of departing possessed of property, etc., he is deemed an absconding debtor, and his property may be taken by a writ of attachment, for which a judge's order must be obtained upon affidavits stating the facts. Other creditors may share in the proceeds of the property seized if they issue their attachments within six months from the date of the first writ.

MARITIME COURT.--By Statute 40 Vict., cap. 20, a Court of Maritime Jurisdiction was established in the Province of Ontario, rights and remedies to be as in any existing British vice-admiralty court. No right or remedy *in rem*, given by the Act only, shall be enforced as against any subsequent *bona fide* purchaser or mortgagee of a ship, unless the proceedings for the enforcement thereof be begun within ninety days from the time when the same accrued, and no such right or remedy shall be enforced against any *bona fide* mortgagee under a mortgage duly executed and registered prior to October 1, 1878; nor shall any such right or remedy in respect of claims for towage or for damage by collision be enforced against any *bona fide* mortgage duly executed and registered at an Ontario or Quebec port. The court has no jurisdiction in any prize cause nor in other specified causes involving Imperial interests. There is an appeal to the Supreme Court of Canada from all the decisions of the court having the effect of a final order.

CHATTEL MORTGAGES AND BILLS OF SALE.—All sales and mortgages of personal property are void, as against creditors and subsequent purchasers or mortgagees in good faith for valuable consideration, if not accompanied by an immediate delivery and an actual and continued change of possession of the goods mortgaged or sold, unless registered in the office of the clerk of the County Court of the county where the mortgagor or vendor resides, within five days from the execution thereof, together with an affidavit of such execution by a subscribing witness, and an affidavit of the mortgagee or purchaser or his agent, as to the *bona fides* of the mortgage or bill of sale.

account thereof and on affidavit of the mortgagee (or one of the mortgagees), or his agent duly authorized in writing (a copy of which authority is to be filed therewith), that such statement is true, and that the mortgagee has not been kept on foot for any fraudulent purpose, must be filed in the clerk's office, or the mortgage will be void as against creditors and subsequent purchasers or mortgagees in good faith. Assignments and discharges of chattel mortgages may be registered.

CLAIMS AGAINST ESTATES OF DECEASED PERSONS are enforced by action against the executor or administrator, who is appointed by, or receives his letters probate, or letters of administration from the Surrogate Court of each county. In administering the estate no distinction exists between judgment debts and other debts; all are to be paid *parri-passu*.

CORPORATIONS are created by special charter, by Act of Parliament, or under the general laws relating to the incorporation of joint-stock companies by letters patent. Shareholders are in most instances liable only to the amount of their shares, and when these are paid in full, are discharged from further liability, except as to the debts due to the servants of the company. Provision is made for the winding up of joint-stock companies by statute 41 Vict., Ont. cap. 5.

COURTS, JURISDICTION OF.—The Supreme Court of Judicature for Ontario, established August 22nd, 1881, consists of two permanent divisions, viz.: The High Court of Justice and the Court of Appeal. The High Court of Justice is comprised of three divisions: 1. The Queen's Bench Division. 2. The Chancery Division. 3. The Common Pleas Division. The High Court of Justice is a supreme Courts of Record, and has the jurisdiction, which was formerly vested in or exercised by the Court of Queen's Bench, Chancery, Common Pleas, Assize, Oyer and Terminer and Gaol Delivery. There is no distinction or difference in the jurisdiction or powers of practice in the several divisions.

By the Ontario Judicature Act, 1881, a fusion of law and equity has been accomplished.

There is a County Court in each county, which is a Court of Record, and which has jurisdiction: 1st, In all personal actions where the debt or damages claimed do not exceed the sum of two hundred dollars; 2nd, In all cases and suits relating to debt, covenant and contract, to the amount of four hundred dollars, where the amount is liquidated or ascertained by the signature of the defendant; 3rd, To any amount in bail bonds given to a Sheriff in any case in a County Court; and 4th, On recognizances of bail taken in a County Court, whatever may be the amount recovered or for which the bail may be liable. But these Courts have no cognizance of any action: 1st, Where the title to land is brought in question; 2nd, In which the validity of any devise, bequest or limitation under any will or settlement is disputed; 3rd, For any libel or slander; 4th, For criminal conversation or seduction; 5th, Any action against a Justice of the Peace for anything done by him in the execution of his office, if he objects thereto.

DIVISION COURTS.—These courts are presided over by the Judge of the County Court of each county. They hold jurisdiction (subject to certain exceptions); 1st, In all personal actions where the debt or damages claimed do not exceed sixty dollars; 2nd, In all claims and demands of debt, account or breach of contract, or covenant, or money demand, where the amount of balance claimed does not exceed one hundred dollars; and 3rd, In all claims for the recovery of a debt or money demand, the amount or balance of which does not exceed two hundred dollars, and the amount or the original amount of the claim is ascertained by the signature of the defendant, or of the person whom, as executor or administrator, the defendant represents.

DEEDS.—The common forms may be used. A short form is provided by statute. They must be under seal *(see mortgages)*, and should be in duplicate for the purpose of registration. To convey the fee it is necessary to use the word "heirs." In conveying the estate of a married woman, it is necessary that the husband should be a party to the deed, but no acknowledgement or separate examination of the wife as required.

Proof of deeds, mortgages, etc., for registration is to be made by affidavit on the instrument or securely attached to it as follows: *Within the Province*, before any commissioner for taking affidavits, before the Registrar of Deeds or his Deputy, or before a judge of any of the Superior Courts or a County Court. *In Great Britain*, before a Judge of the Superior Courts, or of a County Court, or the Mayor or the Chief Magistrate of any city, borough, or town co porate, certified under the common seal of such city, etc., or a commissioner appointed for taking affidavits in any of the Courts of Record in the Province. *In a British Colony or Possession (except India)*, before a Judge of a Court of Record, or the Mayor of any city, borough, or town corporate, certified under the common seal, or before any Notary public certified under his official seal. *In India*, before any Magistrate or collector certified to have been such under the hand of the Governor of the Possession. *In any Foreign Country*, before the Mayor of any city, borough, or town corporate, certified under the common seal, or before any British Consul or Vice-Consul resident in such country, or before a Judge of a Court of Record or a Notary Public, certified under his official seal.

DESCENT.—Real estate descends to: 1st, lineal descendants and those claiming by or under them *per Stirpes;* 2nd, father; 3rd, mother; and 4th, to collateral relatives, subject to certain rules and regulations prescribed in the Statute.

This law applies only to the estates of persons dying on or after the first day of January, 1852. As to all persons who died before that time, the rules of descent are substantially the same as in England at that date.

Distribution of Personal Estates of Intestates.—The surplus of intestates' estates is, after the expiration of one full year from the death of the intestate, to be distributed in the following manner: one-third shall go to the widow of the intestate, and the residue in equal proportions to his children, or, if dead, to their lineal descendants. If there are no children or legal representatives

subsisting, then the widow takes a moiety, and the other moiety goes to the next of kindred in equal degree, and their representatives; if no widow, all to children; if neither widow nor children, all to the next of kin in equal degree, and their representatives.

But no representation is admitted among collateral further than children of intestates' brothers and sisters. Estates of *femmes covert* dying intestate and without children are left as at common law, *i.e.*, the husband is entitled to the whole; but when she dies leaving husband and children, her separate personal property is distributed in the same proportion as the personal property of a husband is distributed between his wife and children. Degrees of kindred are reckoned according to the computation of the civil law.

EVIDENCE.—No person is disqualified as a witness by reason of interest, or as a party or otherwise. The action for breach of promise of marriage seems to be excepted. Husbands and wives of parties are competent and compellable witnesses, except as to communications made during marriage and proceedings consequent on adultery. In suits by or against representatives of a deceased, or by or against a lunatic, the evidence of the opposite party must be corroborated.

EXECUTIONS.—*See Judgments.* Writs of *fieri facias* against goods and chattels, and against lands, may be issued at any time, and bind the debtor's property (with few exceptions) from the time of their delivery to the sheriff. Concurrent writs may be issued in any county. The debtor's goods must be exhausted before resorting to the lands. A writ against lands is returnable in twelve months from its delivery to sheriff, and all sales under it must be advertized for three months in the Official Gazette and a local newspaper. Bank notes, money and securities for money, shares in banks and incorporated companies may be seized.

The execution debtor may be examined as to his property, and any debts found to be due to him may be garnisheed, except wages and salaries of mechanics under the sum of twenty-five dollars. In the High Court and County Courts executions may issue forthwith on signing judgment, except in the case of judgment by default on a specially indorsed writ, which must be delayed eighteen days from the service of the writ. See *Actions.* In the Division Courts the judge may order immediate execution, or may direct the amount to be paid in such time, not exceeding fifty days, as he may see fit.

EXEMPTIONS.—Beds, bedding, and wearing apparel of the debtor and his family, and a certain quantity of household furniture, provisions, and farm stock and tools, and implements of trade, to the value of sixty dollars, are exempt from seizure, under any writ of execution whatever, and the same goods are, after the death of the debtor, exempt from the claims of his creditors. Free Grants and homesteads to actual settlers in the districts of Algoma and Nipissing, and of certain lands between the river Ottawa and the Georgian Bay, are also exempt from seizure.

GARNISHMENTS.—See *Executions.*

INSOLVENCY.—By an Act of the Parliament of the Dominion of Canada, which came into force on the first of April, 1880, the Insolvent Acts previously in force were repealed, except as to cases where the estate of an insolvent was vested in an official assignee before the passing of the Act.

INTEREST.—Parties may agree to pay any rate of interest, but in the absence of agreement six per cent. only is recoverable. Banks cannot recover more than seven per cent. See *Mortgages.*

JUDGMENTS.—A judgment is a lien on land only from the time of the delivery to the sheriff of a writ of *fieri facias* against lands; such writ must, until actual seizure of the lands, be renewed every year. Where there are several writs they are to be satisfied in the order in which they are delivered to the sheriff.

Foreign Judgments.—A defendant sued in the courts of Ontario, on a foreign judgment of a court to the jurisdiction of which he was subject, cannot set up as a defence thereto any defence which he set up or might have set up to the original action, if he was personally served with process in such original action, or appeared or pleaded therein.

LIENS.—See *Mechanics' Liens*, also *Judgments.*

LIMITATIONS.—Actions on contracts, notes, and instruments not under seal, and for arrears of rent, or for interest on money charged on land, must be commenced within six years from the time the cause of action accrues; actions of trespass, assault, battery, wounding and imprisonment, within four years next after the cause of action arose; actions of slander, within two years next after the words spoken. In case of a plaintiff being under the disabilities of infancy, coverture, or lunacy, the time runs from the removal of the disability. No greater time is allowed by reason of a plaintiff's absence from Ontario. In cases in which a married woman can maintain an action in her own name, no further time will be allowed.

Actions to recover money secured by mortgage, judgment, or lien, or otherwise charged upon, or payable out of any land or rent, or any legacy, must be brought within ten years next after a present right to receive the same shall have accrued to some person capable of giving a discharge for the same, unless in the meantime a part payment has been made, or written acknowledgment given, in which case the action must be brought within ten years from the time of the part payment or acknowledgmeat.

Actions to recover land must be brought within ten years after the right of action accrued to the claimant of the person whose estate he claims. As to lands granted by the Crown of which the grantee has not taken possession, and some other person not claiming under him has taken possession while the land is in a state of nature, the right to bring an action is deemed to accrue at the time when the owner first obtained knowledge of the land being in the actual possession of such other person; but no such action shall be brought after twenty years from the time that possession was taken.

Persons under the disability of infancy, lunacy, or coverture, and their representatives are allowed

five years from the termination of their disability or death, notwithstanding the expiring of the period of ten years in which to bring the action; but no action, etc., shall be brought except within twenty years next after the right of action accrued. And as regards real estate, rent, etc., no further time is allowed to persons absent from the Province.

MARRIED WOMEN.—Every woman married since the fourth day of May, 1859, without any marriage settlement, holds all her property, real and personal, free from the debts and control of her husband. Property received by her from him during marriage is excepted. Women married before the 14th day of May, 1859, are similarly protected as to their real estate not then reduced into the husband's possession. Wife's separate property is liable for debts contracted by her before marriage, and husband's liability therefor is limited to the extent of the interest he may take in the wife's property under the marriage contract.

All wages and personal earnings of a married woman, and all acquisitions therefrom, and all profits of any trade carried on separately from her husband, or derived from her literary, scientific, or artistic skill, are protected from her husband's debts, and are enjoyed by her and disposed of without his consent as fully as if she were a *femme sole*. She may insure her husband's life with his consent, or her own, and the insurance is free from claims of husband's creditors. She may hold stock, make deposits in savings banks, etc., as if she was sole. She may sue in her own name alone for the recovery of her debts, or the protection of her property, and she may be sued separately from her husband in respect of her separate debts, contracts, or torts, as if she was unmarried.

She may bequeath her property by will. She is not liable to arrest. She may convey her real property by deed in which her husband joins, and may appoint an attorney in same manner, and no separate examination is required. Judge may dispense with concurrence of husband when he is a lunatic, or residence not known, or if he is living apart from his wife by consent. A wife is entitled to dower out of all lands (with a few exceptions) of which her husband was seized at and after their marriage in which she did not bar her dower during his lifetime; but a husband can only be tenant by courtesy of such of his wife's lands as she died seized of.

MECHANICS' LIENS.—Every mechanic, machinist, builder, miner, contractor, or other person doing work on, or furnishing material to be used in constructing any building, etc., at request of the owner, has a lien for the same upon the building, etc., and the land occupied thereby, and usually enjoyed therewith to the extent of the owner's interest. The lien must be registered in the County Registry Office during progress of work, or within one month after completion, and ceases to exist unless proceedings are taken to enforce it within ninety days from completion, in the County or Division Courts, or the Court of Chancery, according to the amount. Mechanics entitled to lien on a chattel for work done may sell the chattel if (after three months) payment is not made.

MORTGAGES must be under seal. A wafer or some other adhesive substance should be used. A mortgage is foreclosed by action in the High Court. Special provision is made for regulating the recovery of interest upon moneys secured by mortgage in certain cases. There is no redemption after the sale or foreclosure under the decree. A mortgage is discharged by the registration, in the Land Registry Office, of a certificate, under the hand of the mortgagee, or his assignee or representative entitled to the money, stating that the mortgage money has been paid. The execution of the certificate for registration is proved in the same manner as that of deeds and mortgages.

NOTES AND BILLS OF EXCHANGE.—The law as to promissory notes and bills of exchange may be said to be the same as that which prevails in England and the United States. Bills and notes which fall due on a legal holiday are payable and must be presented the day after such holiday. The legal holidays are Sunday, New Years' Day, Good Friday, Christmas Day, the birthday of the Sovereign, and special days appointed by proclamation for public holidays, fasting or thanksgiving.

PROOF OF CLAIMS.—A solicitor should be furnished with the Christian names, surnames, and residences of all the proposed plaintiffs and defendants, and with particulars of the claim, if on an open account. If on a judgment, an exemplification of the judgment, under the seal of the Court and hand of the chief judicial officer, is required. Where the plaintiff is resident out of the Province, security for costs may be ordered by the Court on the application of the defendant, in which case the bond of two householders in the sum of two hundred dollars must be given, or that amount deposited in court to abide the event of the suit. If the claim is contested it must be proved in the usual way, or by taking the evidence on commission when the witnesses reside abroad.

RECORDING DEEDS, MORTGAGES, ETC.—After the grant from the Crown every instrument affecting land will be adjudged fraudulent and void against any subsequent purchaser or mortgagee for valuable consideration without actual notice, unless registered in the Registry Office of the county where the lands lie, before the registering of the instrument under which such subsequent purchaser or mortgagee may claim.

REDEMPTION.—See *Mortgages*, also *Taxes*.

REPLEVIN.—Whenever any personal property has been wrongly distrained or otherwise wrongly taken or detained, it may be replevined under writ issued, upon the plaintiff giving a bond to the Sheriff in treble the value of the property. In default of appearance the plaintiff may sign final judgment for a nominal sum and costs according to the proper scale of the court in which the action is brought. If the defendant appears, the parties plead to issues and proceed to trial.

STAY OF EXECUTION.—Executions are stayed on appeal to the Court of Appeal from the Superior and County Courts, on satisfactory security being given by the appellant.

SUPPLEMENTARY PROCEEDINGS.—Upon an affi-

davit showing the return of an execution wholly or partly unsatisfied, a judgment debtor may be examined concerning his property and concerning debts due or owing from third parties to him. These third parties can be proceeded against by process of garnishment.

TAXES.—Lands may be sold for taxes whenever any part of the tax has been due for three years. The sale is made by the County Treasurer in counties, and the High Bailiff in cities. The owner may redeem the property within one year after sale.

CAUTION.

Pay no money IN ADVANCE to Directory Canvassers. Our Agents are not authorized to collect in advance of publication of our books. See that our name (R. L. POLK & CO.) is on all orders before signing. We are led to thus caution the public, as itinerant Directory Publishers procure orders by misrepresenting their works, and leading the public to believe they are subscribing to the regular Provincial Directory of Ontario.

HAMILTON. The second city in the province in respect to population and business importance, is situated on the south-west shore of Hamilton Bay, at the extreme western end of Lake Ontario, and occupies a commanding position on a slightly elevated plain, at the foot of what is locally known as the "Mountain," a range of hills that nearly encircle the city, in Barton tp, Wentworth Co, of which it is the county seat. It has besides the water routes of the lakes, the main line of the southern div of GT Ry running to Suspension Bridge and the GW div to Windsor, the Toronto line of the same road, and the NW line of the N & NW div GT Ry, giving access to Lake Erie, the Georgian Bay and the Muskoka and Parry Sound Districts, affording direct transport for its manufactured products to all important points of the railway and steam navigation systems. The offices, workshops, rolling mills and other shops of the GT Ry are located here, and give employment to a great number of men, and the city has a large number of manufacturing establishments of various descriptions, the products of which form the staple of her export trade. Hamilton is regularly laid out, with wide and handsome streets intersecting each other at right angles—King, James, John, York and Macnab being the principal business streets. At the crossing of King and James streets is a small

triangular park known as the "Gore," opposite to which is located the Canada Life Assurance building, the handsomest business structure in the city. On main street is located the court house, a fine building erected by the county in 1879, at a cost of $120,000. The Provincial Insane Asylum on the Mountain, is the finest building of that description in the Dominion, and has accommodation for 920 patients. A magnificent building for the use of the post office, customs and inland revenue departments, is situated on King street. The churches are in general handsome specimens of architectural skill, and number 35, viz, 7 Episcopal, 3 Catholic, 7 Presbyterian, 7 Methodist, 3 Baptist, 2 German Lutheran, and 1 each of Congregational, Plymouth Brethren, Bible Christian, Reformed Episcopal, Hebrew and African Meth Episcopal. The school system is very complete, and comprises 16 public and separate schools and a collegiate institute, also a number of private educational establishments. There are several good libraries in the city, that of the Hamilton Law Association containing upwards of 1,250 volumes; an opera house, seating 1,200 persons; 6 chartered and 1 private bank, 2 daily newspapers, the *Times* and the *Spectator*, both of which issue weekly editions; 1 weekly paper, the *British Lion*, and three monthly papers, the *Ancient Forester*, the *Canadian Live Stock Journal* and the *Portfolio*. The assessed valuation of the real and personal estate is $21,048,990, and the bonded indebtedness, $2,470,982.25. The city is lighted with electricity and gas, has an excellent water supply, the water being pumped from Lake Ontario, about 5 miles distant, to a large reservoir on the mountain, which gives ample pressure for fire purposes, and has a good system of drainage, rendering its sanitary condition very satisfactory. It has telephonic communication with the Ontario system, the Bell Telephone Company having their head-quarters here. Secret, benevolent, literary, scientific and social societies are all well represented in the city, there being lodges of Masons, Odd Fellows, Foresters, A O U W, K of P, L of H, C F, R A, L O L, and others, and numerous, literary, charitable, temperance and religious societies of various denominations. During navigation, daily lines of steamboats and propellors connect Hamilton with all the ports of the great lakes and the river St Lawrence. The Desjardins canal gives water communication from Hamilton Bay to Dundas. Population 42,000. Telegraph, GNW and CPR. Express, American and Canadian. Mail daily. Distance from Toronto, 39 miles, from Montreal, 372 miles, from Detroit, Michigan 187 miles, and from New York City, 488 miles. Horatio N Case, postmaster.
